The camper is a 2016 Keystone Outback Ultra Light 276 UBH. The camper has fiber glass sides. The camper has one slide out for the table and couch. Both the table and the leather couch can be transformed into beds. The bunk beds are full size bunks where two kids can sleep together. The bathroom has a tub/shower combination. The fridge can be powered by electric or gas. The camper has a master bedroom with a short queen bed. It is separated by sliding doors. The awning is electric and has LED lights underneath. The camper has an outdoor kitchen with fridge and stove top. The camper has been power washed every spring and was swept inside weekly. The camper has been covered each winter with a full protection cover. I have included pictures and a picture of the layout.
